How to upload video on Google drive.
Step 1.
Login to your Gmail Account
Step 2.

Open Google Drive. Go to https://drive.google.com/ in your browser. This will open your Google Drive main page.
Step 3.
Click NEW. This button is in the upper-left corner of the page. A drop-down menu will appear and then click on FILE UPLOAD option.
Step 4.

Select your video. In the File Explorer (Windows) or Finder (Mac) window that opens, go to the files' or folder's location and click the item that you want to upload and click on open.
**Step 5.**

Once uploaded onto drive select the video. Then click on the ‘Get shareable link’ on the top right. Switch on link sharing and then click on ‘Sharing Settings’

1. Please share a challenge that you overcame while mentoring someone (does not have to be a professional mentoring experience; a personal story would also qualify). How did you solve for the challenge?

2. Please share 3 best practices that you would employ to collaborate with the ATL teacher in-charge, school administration and students to create a vibrant community that is conducive to innovation?
